

WHERE CHILDREN AND FAMILIES
Connect, Learn, and Thrive

Parents and grandparents often ask themselves, *“Are my children and my family living to our full potential?”*

They may be doing all the right things and still have doubts about the answer to that question.

AT ATLAS MINISTRY, WE UNDERSTAND, and that is why we take a Christ-centered approach to provide value-based education, a reinforced focus on God, and personal relationships with both children and parents so our families know that they are prepared to impact their world and truly *thrive.*

THE ATLAS CENTER IS A SAFE PLACE FOR **EVERYONE TO ENJOY.**

IT'S MORE THAN A BUILDING. IT'S A PLACE FOR *you* TO...

*It's a place for us to **impact** our future in the **community***

Our Impact

IS DIRECTED TOWARD THE CHILDREN AND FAMILIES OF OUR COMMUNITY, BECAUSE, WHEN CHILDREN AND FAMILIES THRIVE, *WE ALL THRIVE!*

HERE ARE A FEW THINGS WE'RE EXCITED ABOUT!

1 EARLY CHILDHOOD (BIRTH - 5 YEARS)

- Collaborating with 39 local organizations to serve children and families on the Victory Train
- Serving 60 families through Parents as Teachers

2 SCHOOL AGE YOUTH

- 86% reduction in birth rate of youth aged 10-17, since ATLAS began teaching Healthy Options for Personal Empowerment (HOPE) classes in Greene County
- Reaching more than **1,400** children and parents through our programs annually
- Partnering with 4 local schools and the new Greene County College and Career Academy

3 PARENTING

- Connecting, equipping, and inspiring the women in our programs to grow in Christ and lead others through Moms & More

- **ROOM TO EXPAND** our programs and increase our impact!

Our Future

To our *ATLAS Angels*,

What a wonderful year 2018 is turning out to be for ATLAS Ministry! Our collection of transformational programs has grown to reach over 1,400 children and parents this year. In addition, after 12 years of operations here in Greene County, we finally have moved into our first operations center, a beautiful new building located adjacent to three schools in Greensboro.

Our focus now is to ensure that we are executing each of our programs with excellence. We are developing and implementing clear strategies while effectively measuring two things: the changes in the lives of children and their parents, and the impacts we see every day. We strive for continuous improvement to be sure that we are getting "better" while getting "bigger."

As we explore the array of opportunities made possible by our new ATLAS Center, **WE NEED YOUR SUPPORT!**

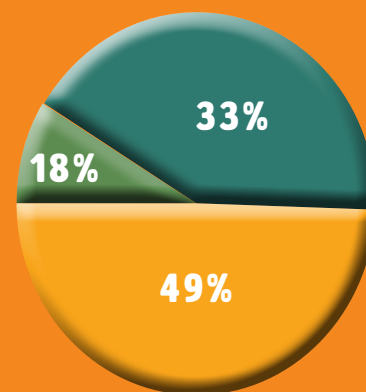

All of our funding comes from generous donors; we don't receive any government support. The following pie chart quantifies how we allocate our \$880,000 annual budget among our programs.

We are thankful that our Board of Directors fully funds our overhead, so **100% of every dollar** donated to ATLAS by the members of our community is used to fund our programs!

the **Community**

SUPPORTS US IN SO MANY WAYS!

We are blessed to receive support from individuals, churches, local organizations, and businesses. People hear what we are doing and want to get involved! People like...

"I believe ATLAS makes a very positive impact on our community by addressing areas that cause division among people (differences in color, culture, education, and financial position). Their model works and could be an instrument for very solid improvements in our community and even our nation. This is why my wife and I support ATLAS with our time and finances."

- Clif and Priscilla Smith, Greene Co. residents

"ATLAS Ministry has the desire and tools to help the children and families of Greene County be the best versions of themselves. I have had the honor of hosting their after school program at our studio and leading them in a few sessions. Whether we were hand drumming or team building, it was clear to see the positive impact their staff has on the youth of our community. We look forward to working with ATLAS Ministry, as we build community, and empower families through the arts!"
